

1st Announcement

FORMEC *Poland 2016*

**From Theory to Practice:
Challenges for Forest Engineering**
49th International Symposium on Forestry
Mechanization
September 4-7, 2016 Warsaw, Poland

Warsaw University of Life Sciences
Faculty of Forestry, Department of Forest
Utilization
Faculty of Production Engineering, Division
of Forestry Mechanization

The main topic of FORMEC symposium highlights the challenges faced by various players in the forest engineering sector and is concentrated on the issues connected with forest harvesting systems, forest road network planning and construction, wood transportation, environmental effects of forest operations, utilization of forest biomass for energy, and forest work sciences.

IMPORTANT DATES

- 12/01/2015 Abstract Submission Start
- 01/31/2016 Abstract Submission Deadline
- 02/15/2016 Abstract Author Notification
- 07/31/2016 Paper Submission Deadline
- 07/31/2016 Registration deadline for authors of oral and poster presentations
- 03/01/2016 - 06/15/2016 Early-Bird Registration
- 06/16/2016 - 08/15/2016 Standard Registration
