

Austro2007/FORMEC'07: Meeting the Needs of Tomorrow's Forests – New Developments in Forest Engineering, October 7 – 11, 2007, Vienna and Heiligenkreuz – Austria

## MULTILINGUAL WEB BASED DICTIONARY FOR FORMEC

**Stefka Kitanova; Ivailo Markoff**

Forest Research Institute; Sofia; Bulgaria; [butsa13@abv.bg](mailto:butsa13@abv.bg); [imarkoff@abv.bg](mailto:imarkoff@abv.bg)

**Abstract:** *On the base of existing bilingual technical dictionaries a multilingual for specific purposes of FORMEC is being created. The advantage of the new one roots in the long-term experience of working with languages for specific purposes of the authors. The dictionary will be open to be improved, exploited and easily downloadable.*
